11 MOTION FOR SUBSTITUTION AND, OR  
JOINDER OF PARTIES

12 Plaintiff respectfully shows the Court as follows:

- 13 1. That this action was commenced by the filing of
- 14 a Complaint and the issuance of Summons on March 3, 1919.
- 15 That thereafter, on July 25, 1914, said Complaint was amended
- 16 in various particulars and thereafter the defendants named in
- 17 said Complaint and Amended Complaint and others joined as
- 18 defendants by order or orders of the Court filed their res-
- 19 pective answers and pleadings to the Complaint and joined
- 20 issue thereon.
- 21 2. That said action was brought for the purpose of
- 22 obtaining a general adjudication and determination of the
- 23 relative rights of the parties to the waters of the Truckee
- 24 River and its tributaries.
- 25 3. That the trial of said action commenced on
- 26 August 4, 1919 before Honorable E. S. Farrington, District
- 27 Judge, and it appearing to said District Judge that the trial
- 28 would be an extended one, he thereupon and on October 14, 1919
- 29 appointed Honorable George F. Talbot as Special Master. That
- 30 after the hearing of the evidence of the respective parties
- 31 plaintiff and defendants, said Special Master submitted his
- 32 proposed findings on July 24, 1924, and after hearing arguments.

U. S. GOVERNMENT PRINTING OFFICE

1 on objections filed thereto filed his amended proposed findings  
2 on March 31, 1925 with the Clerk of the above entitled Court.  
3 That thereafter exceptions to said findings, or certain  
4 thereof, were duly filed and the above entitled cause, after  
5 being fully argued, was on July 11, 1925, submitted to the  
6 above entitled court for its decision.

7 4. That thereafter and on February 13, 1926, this  
8 Court made and entered a Temporary Restraining Order fixing  
9 the relative water rights of the parties, to which reference  
10 is hereby made, and said Restraining Order, ever since said  
11 date, has at all times been and now is in full force and  
12 effect.

13 5. That since the submission of the above entitled  
14 action to this Court there have been numerous voluntary trans-  
15 fers, sales under deeds of trust, upon foreclosure of mortg-  
16 ages, and for delinquent taxes and the like, of lands and  
17 water rights the subject of this action and involved herein.

18 6. That since the submission of the above entitled  
19 action for decision numerous of the original defendants have  
20 died, many of them without the State of Nevada, and in many  
21 cases it is impracticable for the plaintiff to ascertain  
22 the time or place of death of such decedents. That the  
23 respective claims of the plaintiff and the various defendants  
24 in the above entitled action have not been extinguished by  
25 the death of any of the defendants.

26 7. That the plaintiff and certain of the defendants  
27 accordingly have made due and diligent search for the purpose  
28 of ascertaining the names of all present owners of lands and  
29 water rights described in said Temporary Restraining Order,  
30 and as a result of such search advise the Court that the persons,  
31 individuals and corporations whose names are set forth in column  
32 1 of Exhibit "A" hereto attached and by reference made a part

1 of this Motion are successors in interest to the parties  
2 defendant in the above entitled action. That for the conven-  
3 ence of the Court and for the purpose of expedition the names  
4 of the persons and individuals so succeeding since submission  
5 of this cause on July 11, 1925 are shown in said column 1  
6 of Exhibit "A" and the names of their respective predecessors  
7 are indicated in column 2 by giving the claim numbers by which  
8 such predecessor is designated in said Temporary Restraining  
9 Order heretofore referred to and on file herein.

10 8. That subsequent to the entry of said Temporary  
11 Restraining Order and between about the 1st day of June, 1936  
12 and the 1st day of February, 1937, the plaintiff and 157 of  
13 the original defendants and/or their successors in interest  
14 signed a stipulation in writing for the entry of a final decree  
15 in the form attached to said Stipulation, both of which were  
16 filed in the above entitled Court on the 22nd day of April,  
17 1942.

18 9. That all present owners of lands and water  
19 rights named in Column 1 of Exhibit A hereto, are proper  
20 parties to this action and that a substitution and/or joinder  
21 of said parties is necessary and advisable in order that this  
22 court may make and enter herein a final judgment and decree  
23 which will determine all of the rights involved herein.

24  
25 WHEREFORE, plaintiff moves the Court for an order  
26 substituting and/or joining as parties defendant the parties  
27 named in Column 1 of Exhibit "A" for and with their respec-  
28 tive predecessors in interest as named and set forth in the  
29 Temporary Restraining Order of February 13, 1926 and identi-
